KADB JUNE HIGHLIGHTS

Sherrifs Office Summer Camp

Keep Albany Dougherty Beautiful had the opportunity to visit the Sheriff's Office Summer Camp to teach campers about the importance of litter prevention and recycling. During the visit, the kids learned how they can help keep their community clean and even created their own raps to promote the message of not littering in a fun and creative way.

Operation Clean Sweep

Keep Albany Dougherty Beautiful proudly supported Operation Clean Sweep alongside Ward 1 City of Albany Commissioner Diana Brown. This community cleanup effort brought volunteers together to remove litter, improve neighborhood appearance, and promote community pride through teamwork and environmental stewardship.

KADB Commercial

Keep Albany -Dougherty Beautiful partnered with the City of Albany to launch the "Be a GoGetter, Don't Litter" campaign, encouraging residents to take pride in their community by properly disposing of litter and helping keep Albany clean and beautiful. This commercial promotes personal responsibility and highlights how small actions can make a big difference in creating a cleaner, healthier city for everyone.

Meredyth Recycling Site

Keep Albany Dougherty Beautiful is proud to announce that the Meredyth Recycling Site was recognized as one of the Top 3 Businesses of the Year. This honor reflects the site's commitment to environmental stewardship, recycling excellence, and serving the Albany-Dougherty community through sustainable practices.

Collective Cleanup

Keep Albany -Dougherty Beautiful partnered with the Albany Summer Collective and Ward 1 City Commissioner Jon Howard for a community cleanup in Ward 1. Together, volunteers worked to remove litter and beautify the neighborhood, demonstrating the power of community partnerships and collective action to create a cleaner, more welcoming Albany.

Plastic Free July

Plastic Free July is a global movement that challenges people to reduce their single-use plastic consumption every July. The initiative encourages small, everyday swaps, like using reusable water bottles and grocery bags, to create lasting habits that help keep streets and oceans clean.

Did you know?

Did you know that recycling just one aluminum can saves enough energy to power a TV for about three hours?
